

Nuclear Non Proliferation Begins At Home!

This is how you do it...

The DOE will hold “scoping” hearings in eight locations across the country to hear from the public about what issues their SEIS must address. The DOE is required by law to listen to our ideas and respond to our questions.

The DOE *seriously* needs to hear about what you want to see in the year 2030.

Be there, or be lame.

North Augusta, South Carolina

November 9, 2006

North Augusta Community Center

495 Brookside Avenue
